

### § 319.40-3

### 7 CFR Ch. III (1-1-04 Edition)

Other Plant Products”; or to regulated articles imported for human consumption that are allowed importation in accordance with §§ 319.56 through 319.56-8, “Subpart—Fruits and Vegetables.”

(d) *Regulated articles imported for experimental, scientific or educational purposes.* Any regulated article may be imported without further restriction under this subpart if:

(1) Imported by the United States Department of Agriculture for experimental, scientific, or educational purposes;

(2) Imported pursuant to a Departmental permit issued by APHIS for the regulated article prior to its importation and kept on file at the port of first arrival; and

(3) Imported under conditions specified on the Departmental permit and found by the Administrator to be adequate to prevent the introduction into the United States of plant pests.

(e) *Designation of additional regulated articles.* An inspector may designate any article as a regulated article by giving written notice of the designation to the owner or person in possession or control of the article. APHIS will implement rulemaking to add articles designated as regulated articles to the definition of regulated article in § 319.40-1 if importation of the article appears to present a recurring significant risk of introducing plant pests. Inspectors may designate an article as a regulated article after determining that:

(1) The article was imported in the same container or hold as a regulated article;

(2) Other articles of the same type imported from the same country have been found to carry plant pests; or

(3) The article appears to be contaminated with regulated articles or soil.

(f) In addition to meeting the requirements of this subpart, logs and pulpwood with bark attached imported from Canada are subject to the inspection and certification requirements for gypsy moth in § 319.77-4 of this part.

### **§ 319.40-3 General permits; articles that may be imported without a specific permit; articles that may be imported without either a specific permit or an importer document.**

(a) *Canada and Mexico.* APHIS hereby issues a general permit to import articles authorized by this paragraph. Regulated articles from Canada and from states in Mexico adjacent to the United States border, other than regulated articles of the subfamilies Aurantioideae, Rutoideae, and Toddalioidae of the botanical family Rutaceae, may be imported without restriction under this subpart, except that they must be accompanied by an importer document stating that the regulated articles are derived from trees harvested in, and have never been moved outside, Canada or states in Mexico adjacent to the United States border, and except that they are subject to the inspection and other requirements in § 319.40-9.

(b) *Solid wood packing materials—(1) Free of bark; used with non-regulated articles.* APHIS hereby issues a general permit to import regulated articles authorized by this paragraph, except that solid wood packing material from the People's Republic of China including Hong Kong must be imported in accordance with § 319.40-5(g), (h), and (i). Solid wood packing materials that are completely free of bark and are in actual use at the time of importation as packing materials for articles which are not regulated articles may be imported without restriction under this subpart, except that:

(i) The solid wood packing materials are subject to the inspection and other requirements in § 319.40-9; and

(ii) The solid wood packing materials must be accompanied at the time of importation by an importer document, stating that the solid wood packing materials are totally free from bark, and apparently free from live plant pests.

(2) *Free of bark; used with regulated articles.* APHIS hereby issues a general permit to import regulated articles authorized by this paragraph, except that solid wood packing material from the People's Republic of China including Hong Kong must be imported in accordance with § 319.40-5(g), (h), and (i). Solid wood packing materials that are

completely free of bark and are in actual use at the time of importation as packing materials for regulated articles may be imported without restriction under this subpart, except that:

(i) The solid wood packing materials are subject to the inspection and other requirements in § 319.40-9;

(ii) The solid wood packing materials must be accompanied at the time of importation by an importer document, stating that the solid wood packing materials are totally free from bark, and apparently free from live plant pests; and

(iii) The solid wood packing materials must be accompanied at the time of importation by an importer document, stating that the solid wood packing materials have been heat treated, fumigated, or treated with preservatives in accordance with § 319.40-7, or meet all the importation and entry conditions required for the regulated article the solid wood packing material is used to move.

(3) *Not free of bark; used with regulated or nonregulated articles.* APHIS hereby issues a general permit to import regulated articles authorized by this paragraph, except that solid wood packing material from the People's Republic of China including Hong Kong must be imported in accordance with § 319.40-5(g), (h), and (i). Solid wood packing materials that are not completely free of bark and are in actual use as packing at the time of importation may be imported without restriction under this subpart, except that:

(i) The solid wood packing materials are subject to the inspection and other requirements in § 319.40-9;

(ii) The solid wood packing materials must be accompanied at the time of importation by an importer document, stating that the solid wood packing materials have been heat treated, fumigated, or treated with preservatives in accordance with § 319.40-7.

(4) *Pallets moved as cargo.* APHIS hereby issues a general permit to import regulated articles authorized by this paragraph. Pallets that are completely free of bark and that are not in actual use as packing at the time of importation (i.e., pallets moved as cargo) may be imported without re-

striction under this subpart, except that:

(i) The pallets are subject to the inspection and other requirements in § 319.40-9; and

(ii) The pallets are accompanied by an importer document stating that the pallets were previously eligible for importation in accordance with paragraph (b) of this section and have not had wood added to them since that use. Solid wood packing materials other than pallets that are imported as cargo must be imported in accordance with the requirements of this subpart for raw lumber.

(c) *Loose wood packing materials.* APHIS hereby issues a general permit to import regulated articles authorized by this paragraph. Loose wood packing materials (whether in use as packing or imported as cargo) that are dry may be imported subject to the inspection and other requirements in § 319.40-9 and without further restriction under this subpart.

(d) *Bamboo timber.* APHIS hereby issues a general permit to import regulated articles authorized by this paragraph. Bamboo timber which is free of leaves and seeds and has been sawn or split lengthwise and dried may be imported subject to the inspection and other requirements in § 319.40-9 and without further restriction under this subpart.

(e) *Regulated articles the permit process has determined to present no plant pest risk.* Regulated articles for which a specific permit has been issued in accordance with § 319.40-4(b)(2)(i) may be imported without other restriction under this subpart, except that they are subject to the inspection and other requirements in § 319.40-9.
